Tal Stanley

### The Big Dig

### Benediction

Jim Pence

### Music

The Meadowview Health Clinic and Community Center has been made possible by the extraordinary generosity of hundreds of ordinary folks who believe in the community of Meadowview and have sought to ensure that this be a safe and good place for all people, long years into the future. To these unnumbered hundreds, the community of Meadowview extends its enduring thanks.

Please join the people of Meadowview for lunch and a children's carnival immediately following today's ceremony. While enjoying lunch and the carnival, please be sure to participate in the community art project. The finished work will hang in the new Meadowview Health Clinic and Community Center in celebration of our dreams for Meadowview.

Special thanks to the staff of Crossroads Mobile Medical Mission who have provided monthly free clinics on the Meadowview Square for almost three years, as we have worked to launch this permanent clinic.

## **Meadowview First Board of Directors**
