

Meadowview Health Clinic is a member of the Virginia Primary Care Association and is a JCAHO accredited institution.

Meadowview Health Clinic (MHC) opened in 2007 to provide medical care to the residents of Meadowview, Emory and the surrounding areas of Washington County. MHC is staffed with quality, well trained physicians and support staff.

MHC is governed by a community board and is a not-for-profit Community Health Center. There are almost 3,500 similar centers nationwide, with 75 serving Virginia. MHC is a fee-for-service practice just like any other doctor's office. To assist the center in providing access to medical care to all residents regardless of income, the MHC receives an annual grant from the U.S. Public Health Service.

Being a community-based organization, we extend an invitation to you and your family to use our facility. We also welcome any input and comments on how we can better serve you.

Hours of Operation

Our Services

Meadowview Health Clinic specializes in health care and health education for the entire family. Our services include the following:

- Adult and Geriatric Medicine
- Pediatric Care
- Adolescent Care
- Limited Pharmacy
- Laboratory
- Minor Surgery
- Emergency Medicine
- Hospitalization
- Mental Health
- Prescription Medicine
- Transportation

Appointments

Meadowview Health Clinic uses an appointment system to reduce the waiting time for our patients. Walk-in patients are offered the next available appointment time.

Routine emergencies are seen immediately after appropriate triage by nursing staff

Insurance

Meadowview Health Clinic accepts

- Anthem
- Medicare
- Medicaid
- Tricare
- UMWVA
- Worker's Compensation claims.

We also file with other private carriers as a service to our patients. This includes all services provided at MHC or for related hospital services provided by MHC providers. Medicare patients' deductible is waived on office visits and other approved FQHC services.

Payment

Payment is expected at the time of service. You may pay by cash, check or credit card.

Payment plans or credit may be arranged for those unable to pay their entire bill.

Depending on your family income and family size, you may qualify for REDUCED CHARGES under our sliding fee scale program. Ask the receptionist for more information

Medical Staff

Roy Andrews, DO received his medical degree from University of Health Sciences College of Osteopathic Medicine in Kansas City, Missouri. He is Board Certified in Family Practice & Osteopathic Manipulative Treatment.

Carol Wilson, FNP resides in Washington County and is a graduate of the ETSU Nurse Practitioner Program.

Hospitalization

Patients may use the hospital of their choice. Referrals are made to area physicians or specialists for services outside those performed by MHC providers.
